# 500 Thanks

Each week do you have something you want to give thanks to God for? I certainly do!

What if 500 of us came together to do something incredible!

Aid International is looking for 500 people to give £1 a week to say thank you for something good in their life

## How it Works

- ◆ Every week up to 500 people will give £1—any Gift Aid collected will be added to the pot
- ◆ Numbers will be limited to 500 to ensure the appeal is manageable and does not become an administrative burden
- ◆ On a monthly basis the Trustees and their Advisory Board will determine grants to be made
- ◆ Contributors to the appeal will be encouraged to nominate charities and good causes to receive grants (full details will be sent when you register)
- ◆ Contributors will be kept regularly informed of grants made

*giftaid it*

I am a UK taxpayer and I want to Gift Aid any donations I make now and in the future to Aid International. I understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in any tax year it is my responsibility to pay any difference.
